Looking for an easy way to make a difference?

The Meigs Soil and Water Conservation District is collecting EMPTY inkjet cartridges.

Your empty cartridges will help pay for:

- Maintenance of the Meigs SWCD Conservation Area
 - Materials for various Meigs SWCD projects
- Leading Creek Watershed projects, such as Leading Volunteer Monitors
 - Outreach to build support for protecting our environment

Extra benefits:

- Cartridges will be reused and remanufactured
- Reduces land-fill waste and saves energy

Acceptable Cartridges:

Cartridges with a print head, including most HP, Lexmark, Compaq, Canon, Dell, and Apple.

No toners.

If you cannot tell, bring it anyways.

Please drop off or mail your cartridges to the address above.
